

Program Overview

For assistance in completing this application please call one of our team members at 1-866-906-6006

Funded by the Government of Manitoba's Department of Health, Seniors and Long-Term Care, the Safe and Healthy Home for Seniors Program provides funding for basic and essential devices or adaptations for seniors facing barriers within their homes.

The goal of the program is to create an accessible, barrier-free living space where a low-moderate income senior with a condition or limitation can complete basic activities of daily living (eating, bathing, toileting, transferring, and mobility) or getting in and out of their home to access essential medical care and community services safely, independently and with dignity.

Applications will be prioritized based on the assessed needs of the applicant.

An eligible Applicant must:

- be a permanent Manitoba Resident.
- ➢ be 65 years of age or older.
- ➤ have a combined net household income of under \$60,000.
- have a permanent ongoing or recurring condition/limitation that impedes mobility and results in substantial restrictions in activities of daily living (eating, bathing, toileting, transferring, and mobility) and/or getting in and out of your home to access essential medical care or community services.

If Eligible, an applicant may apply for:

- Up to \$5,000 for basic and essential accessibility solutions, every three years, to a lifetime maximum of \$15,000.
- Up to \$6,500 for basic and essential accessibility solutions if the applicant resides in a rural or remote area of Manitoba, every three years, to a lifetime maximum of \$15,000.
 - To be considered living in a rural/remote area of Manitoba, an applicant will reside North of the 53rd parallel of latitude or in an area of the province east of Lake Winnipeg north of latitude 51° 12'.
